**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Misleading fee structures are the biggest scam among regional ISP monopolies or duopolies.

Do you really believe they provide the best service for the price?

Fortunately, we were able to switch to our current internet service provider for their open pricing and un-throttled, high speed service. Sonic, amongst others, are a welcome option wherever they can route their infrastructure, and allowed to fairly compete for customers.

Try to remember, without cynicism, to whom you are responsible.

All the best,
JF -
